

MetLife Stadium

EVENT ADVISORY

Bruce Springsteen and the E Street Band
MetLife Stadium
Tuesday, August 30

Event Information

We are getting ready for event day here at MetLife Stadium with Bruce Springsteen and the E Street Band's The River Tour. Below we have put together some items we hope answer your questions for the event. If you do not see the answer to your question below, please contact MetLife Stadium at info@metlifestadium.com or 201-559-1515. Thank you and enjoy the concert!

IMPORTANT: Cameras, still or video, are NOT permitted inside the stadium for the Bruce Springsteen and the E Street Band shows. This includes GoPros.

Security Screening Procedure: To ensure the highest level of safety and security, all guests will be subject to a courteous screening via a walk through metal detector. Guests will be required to place their cell phones and keys on the security table prior to walking through the metal detector. In order to make this process go as smoothly as possible, Guests should only bring those things they will absolutely need while attending the event. Bags no larger than 12"x12"x12" are permitted. See below for Bag Policy details.

Please leave enough time to get through the gates and to your seats; the earlier you arrive the better!

Traffic Advisory: In order to improve the overall condition of the New Jersey Turnpike 16W interchange, construction has begun to widen and lengthen the southbound Turnpike access lane and shoulder. The construction will create POST EVENT delays for those guests who normally use this route to access the Turnpike.

To avoid this construction, guests are advised to use either the 18W interchange to the New Jersey Turnpike or Eastern Spur of the New Jersey Turnpike via Route 3 East (Lincoln Tunnel / New York City / Secaucus).

General Admission Procedures

(Two Parts: Lottery Wristband/Secondary Line & Remaining GA)

Part 1: Lottery Wristbands/Secondary Line

MetLife Gate (Gate is located on the west side between Verizon and Pepsi Gates). All field tickets are General Admission standing room only. There are no reserved seats on the field. The field will be split into a Front GA (a.k.a "the pit") and a Back GA. All guests with field tickets must obtain a field access wristband before accessing the field

General Admission ticket holders who wish to have the chance to be the first to enter the Front GA (a.k.a "the pit") area on the field must follow the procedure outlined below. The following will take place at the MetLife Gate.

- 2:00 p.m. – Parking Lots and Box Office Open.
- 2:30 p.m. – Approximately 1,000 sequentially numbered wristbands will be distributed. **Guests must be present and have a ticket to receive wristband. Guests cannot reserve/pick-up wristbands for other guests.** Once you receive a wristband, you do not need to stay in line at the MetLife Gate; however, you must return to the MetLife Gate for the random number selection at 4:15 p.m. These wristbands will also serve as your floor access wristbands so they should not be removed until after the show.
- 4:30 p.m. – A starting number will be randomly picked by a fan, announced and displayed on a placard at the MetLife Gate. All fans with GA tickets and numbered wristbands should begin lining-up in numerical order in the lane labeled with their range of numbers (i.e. 1-99, 100-199, etc.). When beginning the screening process, the fan holding the wristband that matches the starting number will be the first in line (i.e. if #'s 1-1000 were distributed and number 818 is drawn, the line

would start with 818, then 819, 820, 821 through 1000 then 1-817). When the starting number is announced the line within that range will shift accordingly.

- If you arrive after the wristbands have been distributed or after 4:30 p.m., you will line-up in a secondary line that is first-come, first-served at the MetLife Gate. There is no place-holding (“saving spots”) in this line. One person = one spot. If you want to enter the field with a group, you will need to be together when joining the line. The Secondary line will not receive a numbered wristband and will be escorted to the field after the first 1,000 wristbanded guests.

The front pit may hold more than 1,000 people with numbered wristbands so you may still have the opportunity to be in “the pit” depending on your place in this line. Once “the pit” is filled, fans in line will begin to populate the Back GA area

- 5:00 p.m. – GA Gate Opens for Lottery Wristbands/Secondary Line. GA Pit Guests escorted to Field

Part 2: Remaining General Admission:

Once Lottery Wristbands/Secondary Line GA Gate is closed for Pit Entry, all remaining GA ticket holders will be directed to any gate and then to the SAP Gate, on the Plaza, for entry onto the floor.

These remaining GA Floor ticketholders will undergo a secondary ticket validation once inside the stadium gates at the floor entry near the SAP Gate. The closer to show time you enter the Stadium, the longer the line. Please leave enough time to enter the floor.

Regardless of arrival time, guests who have a GA Floor ticket will receive a wristband as they enter the floor.

General Concert Tips

- **Check the weather and dress appropriately.** Please be aware of the type of shoes that you wear as some do not offer as much protection or comfort when moving in a crowd.
- **Cell Phones.** Please remember to keep your cell phones charged.
- **Plan to arrive early.** Try to arrive to the stadium at least one hour before the start of the event. This will help your entry into the stadium.
- **Bring essentials.** Please carry emergency phone numbers and list of any medical information, if applicable.
- **Use the buddy system.** Stay with your friends when moving throughout the Stadium.
- **Report problems immediately.** If you need assistance please contact a uniformed Stadium team member or use the Guest Text Messaging system. Please do not allow someone or something to impact your experience in a negative manner.
