Stadium Safe – MetLife Stadium Health & Safety Protocols

The safety and well-being of our guests and team members is our top priority. We are committed to providing everyone who enters MetLife Stadium a safe, clean environment with reduced touch points. **For a full list of Stadium Safe protocols and enhancements, please visit metlifestadium.com/stadiumsafe.**

- **Health Promise** - By entering MetLife Stadium, you and your guests are confirming that you are not experiencing any COVID-19 related symptoms as identified by the CDC.

COVID-19 and its variants are extremely dangerous disease that can lead to severe illness and death. While people of all ages and health conditions have been adversely affected by COVID-19, certain people have been identified by public health authorities as having greater risk based on age and/or underlying medical conditions. No precautions can completely eliminate the risk of exposure to COVID-19.
